# ShreeRadharaman Marbles

It all started with the Patni brothers winning a mining lease in Morwad in 1989, and what followed is the remarkable story Shreeradharaman marbles

The vision got only bigger as the company acquired mines in Turkey and Vietnam and scouted the world in order to bring in a palette of colours and quality.

Early into the business, the Patni brothers were quick to sense the importance of using the latest technology for marble mining and explored all possible avenues for best quality.

By the end of their first decade in business, the Guinness Book of World Records listed R K Marble as the largest producer of marble in the world.

From humble beginnings, R K Marble has come far and today stands tall as a symbol of excellence providing elegant and exquisite marble.

## KHOOBSURAT IMAANDAARI

Honesty is the first step towards greatness.  
Honesty, not just with oneself but also  
with the world.  
But how does one prove honesty?  
Is there a certificate?  
Honesty gets proven with the truth.  
Truth, that stands the test of time.  
Truth of origin.  
Truth of substance.  
Truth that does not crumble under  
undue stress.
